# PROFESSIONAL DEVELOPMENT

## CHILD CARE RESOURCES

### FAMILY CHILD CARE ROUNDTABLES

The following roundtables were developed specifically to meet the unique needs of Family Child Care (FCC) providers! In addition to offering essential training and education regarding the growth of your FCC business, the FCC Roundtables offer an open environment for interaction and networking among Family Child Care providers. These two- hour sessions will include one hour of facilitated training from an experienced instructor, as well as an hour of discussion and sharing for providers to discuss experiences and ideas.

Unless otherwise noted, all workshops are held at Child Care Resources  
3301 Rt 66 Building C Neptune NJ

#### Developing Policies and Procedures October 3rd , 6:30-8:30

-----  
This roundtable will discuss the policy and procedures that are required for your Family Child Care business. With so many changes throughout the years, this training is designed to help organize your policies and paperwork while assisting you to run a successful Family Child Care business! Participants are encouraged to bring their own policies and procedures to share with others.

#### Parent- Provider Relationships November 15th, 12:30pm- 2:30pm

-----  
Developing positive relationships with parents of the children in your care can be a challenge. A positive parent-provider relationship is essential for children to thrive in their family child care settings. This roundtable is designed to assist providers to develop strategies for effectively communicating with parents, and for engaging parents in their child's daily activities.

#### Marketing your Family Child Care Business January 25th, 6:30pm- 8:30pm

-----  
As a Family Child Care provider, it is often a struggle to successfully promote your business. This roundtable will discuss ways to successfully advertise and promote your Family Child Care business through sources such as social media, print media and local news advertising.

#### How to Promote Nutrition in Family ChildCare Settings February 21st, 12:30pm- 2:30pm

Location: Ocean's Family Success Center; 1201  
Springwood Avenue, Asbury Park, NJ

-----  
During this roundtable discussion, providers will learn how to promote health and nutrition in their child care businesses. We will identify strategies for including children in nutritional activities so that they are more willing to try healthy foods.

#### Emergency Preparedness March 21st, 6:30pm- 8:30pm

-----  
Are you prepared for when an emergency arises in or around your home? During this roundtable, we will assist you to develop an efficient. Emergency Preparedness Plan. We will identify the types of emergencies you may encounter as a family child care provider, and how you should react in the case of an emergency. Most importantly we will discuss the best practices for keeping children safe during an emergency.
