Helping Families Find Child Care

The Diaper Bank will distribute diapers once a month to referred and eligible families. Each family will receive about 50-80 diapers (about a week's worth) per child, depending on diaper size and a container of wipes. Distribution amounts are contingent upon availability. A date and time must be identified when the diapers can be picked up at Child Care Resources.

Referred By (all fields must be completed by organization):

Referring Organization: _____

Organization Contact: _____
