

MONMOUTH COUNTY New Jersey

A Profile of Child Care Indicators 2013

NEED Children Depending on Child Care While Parents Work

Age		Child Population	Children with Working Parents	
		Number	Number	Percent
0-5	Living with two parents	32,128	18,650	58%
	Living with one parent	9,080	6,466	71%
6-17	Living with two parents	80,724	50,709	63%
	Living with one parent	21,989	19,315	88%

SOURCE: Children With Working Parents represents children under the age of 17 who live in two-parent families in which both parents work outside the home and children who live in single-parent households in which the only parent works outside the home. The percent of children with working parents displays the proportion of all children in each age group from two-parent families where both work outside the home and children from single-parent households in which that parent works outside the home. Data compiled from the US Census Bureau's 2012 American Community Survey.
