

**Child Care Directors and Business Owners
Join our ZOOM Call with
Grace Reef
Wednesday, June 3rd 12-2:00**

Join us for a presentation related to federal relief options for child care businesses during the COVID-19 public health emergency. Until a vaccine or treatment for COVID-19 is available, child care businesses need to understand relief options, rethink the child care center business model, and be prepared to think through options on shared services or other cost-saving strategies that might temporarily help transition the business model during the next year.

We are stronger together - in these uncertain times, when there is no one-size-fits-all answer, brainstorm with us. There will be ample opportunity for Q&A and discussion.
