#LetsGetNJVaccinated

* The CDC has currently approved only Pfizer/ BioNTech for 12-15 year old individuals, and may not be administered at all sites. Please contact the vaccination site before your appointment to determine availability and consent requirements.

Over 3.5 million New Jerseyans have been fully vaccinated. Our target is to reach 4.7 million fully vaccinated New Jerseyans by June 30 to keep our communities safe. Your shot is waiting for you!
