

You have a spot. Take your shot!

New Jersey makes it easy and convenient to get the shot. Get your COVID-19 vaccine today!

Over 4.2 million New Jerseyans have been fully vaccinated. We need to continue our efforts to get everyone vaccinated. Your vaccination matters – make today the day you decide!

My Vaccine Story

“I saw the vaccine as optional, but it isn’t until you feel what it’s like to be afraid that you can’t breathe...

You realize then that the vaccine isn’t something that is optional. It’s a necessity.”

-Tania Ray

New Jersey resident and mother

New Jersey is making it easier for everyone to get a vaccine by bringing vaccination sites closer to you. If your community- or faith-based organization would like to host a community vaccination event at no cost to you, please [register here](#).
