

# Welcome to the Family Child Care Alliance of Camden and Monmouth Counties

## Who We Are:

The **Family Child Care Alliance** was formed as a collaborative shared services program between Child Care Resource and Referral (CCR&R) staff and FCC providers in both Camden and Monmouth counties. The Alliance was created as an opportunity for providers to communicate and network with their peers, and obtain additional guidance and resources from our CCR&R staff.

## What your participation means to you and your program:

In addition to the resources we provide, as an FCC Alliance participant, you will have access to the following:

- Opportunities to meet and interact with your peers through monthly group discussions and meetings
- Access to additional trainings on business practices, quality child care practices, health and safety, and more.
- You will receive our monthly Tuesday Tips Newsletter that will provide up to date information on current topics that affect Family Child Care

## FCC Providers:

- Must maintain a current FCC Registration
- Should participate and be involved - share ideas/success/challenges
- Will use the tools and trainings provided
- Will share their experience and knowledge

## All Participants:

- Maintain a positive attitude and are respectful of others
- Recognize each others strengths as individuals and professionals
- Commit to seeing and attaining our common goals through different perspectives
