

Child Care Resources

Encouraging the Growth of the Developmental Domains

During this training, we will review all the domains: cognitive development, language and literacy, physical development, and social and emotional development. We will review Developmentally Appropriate Practices (DAP) and the activities you can do within the classroom to help develop all of these necessary skills in young children.

Tuesday, April 21
7 p.m.- 8:30 p.m.
on Zoom
NJCCIS ID: 152040
